School Notes

Sending a heartfelt THANKS to all of YOU! Thank you for all the little moments filled with great joy! Thank you for all the big ways you help make our school a simply wonderful place to be. We are blessed, and always better together! VLC has the best teachers, staff, families, caregivers and, of course, the most sensational students!

Dear Families,

I can hardly believe it is our last month together for this school year. It has been such a joy to see all the learning and growing our students have done. We hope you will help us celebrate our amazing children at the annual Spring Concert and Graduation. It will be a very special night!

Warm Regards, Jackie Elmer, Director
