## Special Summer Edition

### School Notes

*We would like to extend a very special WELCOME to our new staff members that will lovingly begin working here this coming school year. Welcome to Ms. Rachel Bruno, Mrs. Bayah Harrison and Mrs. Stephanie Jaquith.*

*We would also like to say hello and welcome to all of our new students and families joining us for the 2019-20 school year.*

*It's going to be another exciting year of friendship and discovery!*

Dear Families,

As summer begins, please remember SAFETY FIRST these next few months. It's so important to help our little ones stay safe while we travel and play. We must all be vigilant in practicing water safety around pools, lakes, and at the beach. Wearing sunscreen and bug spray, being careful near roads and busy streets, planning ahead for trips and staying hydrated while the temperatures rise, are all important reminders this summer. Wishing you a safe and enjoyable summer full of family memories. We look forward to seeing our returning families in the fall and wish our graduates all the BEST!

Kind Regards, Jackie Elmer, Director
