Dear Families,

Happy fall to all of our wonderful students and families. As we welcome a new season, I wish you lots of quality time together as a family. Hopefully, we will enjoy our first taste of cooler weather and we can spend time enjoying the fresh air. It sure is important for our growing children to explore and play outdoors. Check out a new park, play around on your neighborhood playground or go for a nature walk. Please reach out to me if you have any joys or concerns.

Kind Regards,
Jackie Elmer, Director
