We are GRATEFUL for YOU!

Thank you to everyone who has graciously donated to our classrooms and school. Your generosity has a lasting impacting on our students and learning. From stem activities to playground toys, we are very appreciative of your love and support.

Dear Families,

Hello there! This month, let's focus on gratitude with our children. Let's look for moments when we can encourage gratefulness throughout each day. For example, you could make a family gratitude jar and share what you added at the end of the month or make Thanksgiving cards to give to your neighbors. Our little ones will soon be finding their own ways to feel grateful and share it with others. Please know I am only a phone call away if you have any joys or concerns.

"The more grateful I am, the more beauty I see." -Mary Davis

Kind Regards, Jackie Elmer, Director
