From the Director

Dear Families,

I hope this newsletter finds you smiling. Although this school year has started off during a challenging time for our community, we are committed to working as a team and keeping each other safe and healthy. We appreciate your understanding and patience as we navigate through this together.

It is a joy, each and every day, to be here with your students. The hallways and classrooms are full of learning and love! We hope to keep you feeling connected and informed as best we can. Please feel free to share any questions or concerns you have with me.

Kind Regards, Jackie Elmer, Director
