### School Notes

To stay connected, please join our VLC facebook page. Use your camera to scan the code below.

Recently on our page and the VPC Kids & Families page, we have updated the many opportunities to help our community rebuild. So many local schools have set up collections and the response in just a short time, has been incredible.

Thank you all for your Faboolous Halloween costume donations to the Shelter for Abused Women and Children. They have been dropped off and together, we have all made some children smile :)

Dear Families,

We are praying for our community and all of SWFL. As of today, I have not heard of any major impacts to our VLC families. If anyone is in need, please contact VPC or VLC for assistance. We are blessed our preschool and church have not sustained any major damages. May we go forth and be the light for others.

Kind Regards,

Jackie Elmer, Director

### Vanderbilt Presbyterian Church

VPC is working diligently to match donations and volunteers to our SWFL community in need. Let us know if we can help. We are collecting donations for students, staff and families in need. Drop off Under the Spire, during school hours or church office hours Monday-Friday between 10a-4p or bring your donations to Wednesday Night Lights on October 19th! Take care of each other.
