School Notes

Welcome Back! We're so happy to have our hallways filled with students again!

Helpful reminders:

1. All children's water bottles are labeled with their first and last names.
2. If your child is not feeling well, please keep them home until they are symptom free.
3. Children must be fever free for 24 hours, without the use of medication, before returning to school.
4. Tuition is due the 1st of each month.

Staff Updates:

Mrs. Butler is off and running in PreK-4! Kristin DePaola & Angela Gates will be taking a step back from the day-to-day, but will continue to serve as substitutes. Kristin will continue to chair the Parent Team as well. We are so grateful!

Dear Families,

Happy 2023! I hope this New Year is off to a healthy and wonderful start for you all. The students are right back into their routines and working hard. Enrollment and registration for the next school year are already in full swing. This second half of the year will fly by, so I ask us all to stop and enjoy the moments within these days. Enjoy the stories the children bring home and take a moment to reflect on what 2022 has taught us! Looking forward to a wonderful 2023!

Kind Regards, Jackie Elmer, Director
